

This Sunday, 7:30-9:30 at the Boulevard on Brookline Blvd, Relay for Life will be throwing a "watch party" to watch Extreme Makeover-Home Edition. Sunday, Jan 31st show's message is about Relay for Life....we have received word from ACS to spread the word to watch....Channel 6 is to be in attendance as well as a couple local politicians....Channel 6 has become the official sponsor of the Relay for Life of Haverford Township's Luminaria Ceremony for this year's event!

There is no monetary requirements to attend the "watch party" at the Boulevard, we are in need of a crowd for publicity purposes...(The Boulevard is giving a % of sales during this time to the Relay for Life of Haverford Township)...

Sooooo, if you know anyone who may want to stop in, spread the word. It IS a FAMILY event so all kids are welcome as well!! We are hoping for a crowd of about 50.....
