

2011-12 PTSA Membership Support Drive

Dear Parents and Guardians,

Greetings from the PTSA! Your membership dues make many important programs possible at Haverford High School. The PTSA sponsors the B.L.A.S.T. after-prom party (to provide a safe alternative to driving around after midnight on prom night). Ten dollars from each membership supports the B.L.A.S.T. The PTSA also directs and underwrites the PTSA Education Grant Awards, given annually to qualifying seniors, and the Crimson and Gold program, which provides funds to students in need. These are just some of the programs the PTSA supports through membership dues of **\$30.00 per family**.

When you support the PTSA by paying annual dues, you help sustain these programs and **receive a complimentary copy of the PTSA Telephone Directory as our way of saying "Thanks!"**

If you have any questions or financial concerns regarding membership, please email Membership Chair Donna Conneen at donnac@hhsptsa.org

Thank you for your support of the Haverford High School PTSA!
